

The logo features a white triangle above a square, both outlined in white. The square contains the text "VMD" and "105" in white, stacked vertically. The entire logo is centered on a solid orange background.

VMD
105

I decided to take this course to develop digital skills. I haven't figured out what I want to do in the future yet. I'm hoping with these skills that I have learned, I'll find out what I want to do along the way.

-Jeanette Paak

.....

For this raster project, I wanted to incorporate a mixed medium style. I drew some of the elements and did some digital photo collage. It was fun overlapping the layer modes with my drawings.

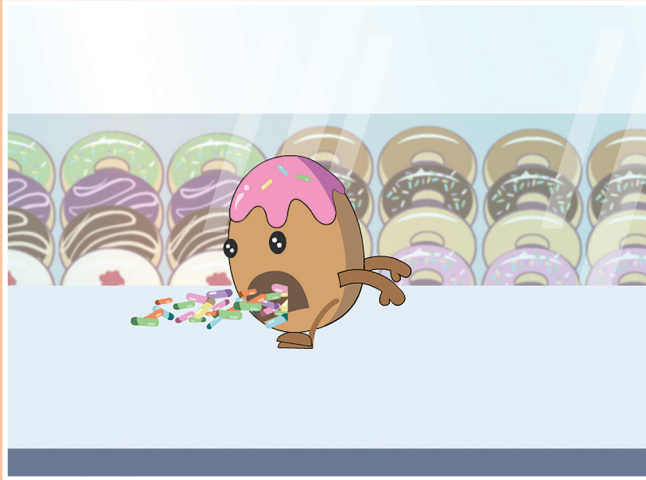

Vector
Project 5

I created this vector graphic based on a sketch I did of a man looking out to sea. Along the curves it says, "Wow the water is really blue." in Korean. The pen tool was tricky and it took time to get used to it.

DUNN'O THE DONUT

TBM
Project

7

This animation project is about a character named "Dunn'o the Donut" following a trail of sprinkles to his death. This project took ages to finish, but I learned the most from this project. What I took away from this project is- I don't like Flash.
